## Ministry of Tourism Development and Transport

### **FLEET MANAGER**

**PS 36 – 38 \$113,480 – \$122,064**

**Marine and Ports Services**

**Job Number: DHR00332 (300037)**

Under the direction of the Director of Marine and Ports Services, the post-holder is accountable for the efficient and effective management of engineering and technical support services for the Department of Marine & Ports Service's fleet of vessels (i.e. Tugs, Tenders, Ferries, Pilot and Rescue boats, etc.). Such work will be undertaken in accordance with all appropriate marine legislation, regulations, international conventions and industry best practice in relation to fleet maintenance and repair, while balancing such work against operational priorities.

The post-holder will be responsible for the management and provision of nautical training and development programmes for staff and will be accountable for all expenditure and budget preparation work; administrative and human resources management duties; and the overall supervision of section staff (i.e. BPSU and BIU staff).

The successful post-holder must possess a Class One Engineering Certificate of Competency in Engineering and be an incorporated member of IMarEST (Institute of Marine Engineering, Science and Technology). A minimum of five years' relevant post-qualification management and supervisory experience in marine operations, inclusive of managing technical and engineering marine services (e.g. managing the provision of planned maintenance services).

**Closing date: 16th April 2014**

## Ministry of Health and Environment

### **MEDICAL TECHNOLOGIST**

**PS 22 - 24 \$70,827 - \$74,808**

**Health**

**Job Number: DHR00302 (220092)**

Under the direction of the Laboratory Supervisor; the Medical Technologist conducts hematological, chemical or microbiological tests and procedures to be used in the diagnosis and treatment of disease. He/she ensures the delivery of clinical laboratory diagnostic services according to established standards and practice.

The post-holder must possess a Bachelor's of Science degree in Medical Technology or related science together with certification from a relevant professional body. The post-holder must also be registered with the Council for Allied Health Professions. A minimum of two years' post qualification experience is required for the post. Good oral and written communication skills are required.

**Closing date: 23rd April 2014**
