Credit Approval Officer

Credit Risk Management

Closing date 21 April 2014

HSBC Bank Bermuda Limited is seeking an experienced Credit Approval Officer within the Risk Management division of the Bank, with responsibility for evaluating credit risks within lending requests and the production of various management information reports in connection with the Bank's lending, traded credit and investment portfolios.

Major responsibilities

- Reviews and evaluates lending applications and recommends or approves these in line with credit policy and business objectives
- Provides lending and credit structuring guidance to lending officers for unusually complex, or difficult lending situations, to ensure that credit risks are adequately mitigated
- Consolidates and interprets information from multiple sources to produce qualitative and quantitative reporting on the Bank's lending activities
- Assists in the ongoing review and updating of credit policies

Minimum qualifications

- Bachelor's degree in Finance, Economics, and/or professional accounting designation with Portfolio Reporting, Banking and Finance content or related credit risk experience and training
- Ideally five years' experience in either of a commercial or corporate lending environment, with a financial analysis background. Experience of global markets transactions and traded credit risk considered useful
- Advanced understanding of structured credit assessment and financial statement analysis
- Strong written and oral communication skills with advanced computer application skills
