## Senior Physiotherapist

**Orthopaedic and Physiotherapy Associates (OPA)** is seeking an experienced Senior Physiotherapist.

### Key Responsibilities:

- To work as a Senior Physiotherapist for 2 days per week in a residential home for seniors, and 3 days per week at a Physiotherapy clinic, including home visits
- The ability to work independently with patients and their families, as well as part of a multi disciplinary team, liaising with G.P.s, nurses and families, is essential

### At Seniors' Home:

- To manage and run an established successful physiotherapy service to include assessing residents, setting goals and appropriate treatment plans. To maintain and run the Falls Prevention Programme for residents, and train multi-disciplinary staff members in manual handling and falls prevention

### At Physiotherapy Clinic:

- The applicant must be highly experienced in outpatients with physiotherapy skills in all aspects of musculoskeletal, orthopaedics, sports injuries as well as paediatrics, neurology and respiratory physiotherapy

### Minimum Qualifications, Skills & Experience:

- University Degree: BSc (Hons) Physiotherapy; and Bermuda Registered Physiotherapist
- 6 years of post graduate experience
- Previous experience in establishing and running a service for seniors
- Proven leadership and business development skills and Microsoft office experience with ability to manage time and the budget
- Proven ability to produce and maintain outcome measures to prove efficacy of treatment
- A valid, clean Bermuda driver's license is essential
