

BIRD

is on his way
to meet you.

BELCO Bird will be touring some safe kite flying places on Good Friday.

Make sure you're there to meet him at the following locations:

11:00am - Royal Naval Field **12:00pm** - Horseshoe Bay

1:30pm - St. David's Primary School Field

Times in this schedule are approximate. Bird is planning to stay at each safe kite flying place for about 30 minutes.

Kite Safety Rules

Always use the correct supplies when making a kite.

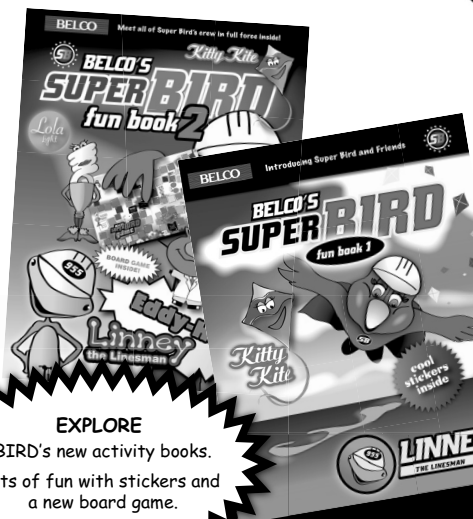

Keep your kites away from power lines and busy roads.

Only fly your kites in safe places, such as beaches, fields and playgrounds (away from overhead power lines).

Only fly your kites on bright, sunny days.

If your kite gets caught in power lines, don't tug on the tail or pull the string.

Call BELCO at 955 and then dial "0" to speak with the operator.
