

Are you interested in promoting the growth of Tourism in Bermuda?

An exciting opportunity exists for a Hospitality Real Estate Asset Director with the Bermuda Tourism Authority.

This role will primarily develop, execute and manage strategies for enhancing lodging product in Bermuda to meet international product and operational quality standards as well as customer expectations.

The position incorporates a wide variety of duties including but, not limited to:

- Consulting and collaborating with owners of existing hospitality real estate to analyze and identify gaps in products and operations relative to international quality standards
- Collaborating to co-develop and co-execute strategies for developing new hospitality and tourism real estate in Bermuda
- Approaching and collaborating with restaurants, retail and entertainment venues to develop and implement enhancement strategies that meet visitor expectations
- Creating performance benchmarks using industry standards, forecasts and analysis
- Assisting in development and implementation of hotel classification systems and quality standards initiatives

Requirements for this opportunity are:

- A Bachelor's degree (or higher) in hospitality, real estate or related field
- Strategic problem solving
- Strong analytical skills with the ability to simplify data for others
- Excellent written and verbal communication skills
- Financial modeling for real estate
- Comfort in a fast paced environment
- Results-oriented
