ASSISTANT GOLF COURSE SUPERINTENDENT

Applications are invited from qualified persons with an Associates or a Bachelors Degree in Turfgrass Management or Agronomy for the position of Assistant Golf Course Superintendent. The applicant must have a minimum of three years' experience in all aspects of golf course maintenance. The assistant superintendent reports directly to the golf course superintendent. Under the superintendent's supervision, the assistant superintendent directs and participates in the maintenance of the golf course tees, greens, fairways, bunkers and cart paths; supervises the maintenance; and does related work as required. The assistant may serve in the superintendent's capacity during his absence. Must be able to calibrate spreaders and sprayers accurately and working knowledge of sprayer. Willing to work 44-50 hour work weeks The applicant must be familiar with all types of golf course equipment and their repair, a working knowledge of warm season grasses as well as the operation of both manual and automatic irrigation systems. The position requires an individual with good organizational skills. Familiarity with staff training and scheduling is, therefore, essential. The position involves working week public holidays and every other weekend.

GROUNDSMAN

The applicant must have a minimum of three years' experience in golf course maintenance, light motor mower equipment, fertilizers and pesticides. Mechanical repair abilities would also be an asset. Duties will include mowing grass, raking bunkers, weeding, trimming and sweeping. Applicants must be mature, self-motivated, have a strong work ethic and present a solid employment record, pleasant personality, be well groomed and punctual. This position requires a six-day week, which includes weekends and public holidays.

Interested persons should apply in writing by **June 13th, 2014** enclosing a detailed resume, cover letter and a minimum of two references to:
