Vice President- Regulatory Reporting and Risk

Our client, Maiden Holdings Ltd., provides customized reinsurance business solutions, including quota share reinsurance and excess of loss reinsurance to the property and casualty industry through US and Bermuda subsidiaries. Maiden is currently seeking a Vice President - Regulatory Reporting and Risk Management.

This is a newly-created position which will oversee regulatory reporting with the Bermuda Monetary Authority ("BMA") along with development and oversight of certain risk management functions and practices. Additional responsibilities will include support for the financial reporting and accounting processes and collaborate with the ERM Committee, compliance, actuarial, internal audit and capital modelling teams for regulatory reporting.

Key Responsibilities:

- Build and maintain strong relations with the BMA and other global jurisdictions where Maiden subsidiaries operate on emerging solvency, regulatory and compliance matters
- Manage Bermuda regulatory reporting process and ensure all BMA insurance regulatory and statutory filings are timely and accurate and consistent with other externally reported information. Provide overall coordination and reporting for BMA audits
- Build and maintain strong working relationships with key regulatory reporting stakeholders across the business. Provide regulatory advice and guidance as appropriate
- Manage the implementation of risk management framework and governance practices pertaining to regulatory reporting and oversee adherence to such practices. Drive continued development of key risk management practices within the business and reports such development to ERM Committee
- Prepare various risk management reports and dashboards for senior management
- Assist in the preparation, analysis and review of the financial and SEC reporting processes
- Provide assistance for selected Solvency II and risk management related initiatives

Minimum Qualifications, Skills, Experience:

- University degree
- 10 years of work experience in insurance/reinsurance
- Professional accounting designation or other relevant qualification required (i.e. CA/CPA/ACA/ ACCA)
- Solid current knowledge of Bermuda insurance legislation, regulatory requirements and procedures for reporting organization's practices and processes in adherence to such requirements
- Audit experience preferred
- Strong current knowledge of U.S. GAAP and SEC requirements
- Excellent oral and written communication skills
- Strong team player with good organization, analytics, planning and leadership skills

To apply please send your resume to bdajobs@expertise.bm or apply online at www.BermudaJOBS.com.

All enquires will be dealt with in strict confidence.

Closing date: June 19, 2014
