

KRYs Global is one of the premier providers of corporate recovery, forensic accounting and liquidation services in the Cayman Islands, British Virgin Islands, Bahamas, Bermuda and Guernsey. We are seeking applications for the below listed position.

---

## **DIRECTOR – BERMUDA**

The Director will undertake the management of corporate recovery, forensic and liquidation assignments and assist the Managing Director with the day-to-day supervision of personnel and other client priorities. The successful candidate will employ appropriate discretion and professionalism in performing his/her duties, demonstrate good judgment and foresight in decision making and provide effective guidance and managerial support to all members of the organization.

The ideal candidate is a recognized licensed insolvency practitioner or possesses professional qualifications from a recognized institute with 10 years' experience primarily focused on corporate recovery and insolvency matters.

Exceptional ability to lead and manage professional staff, excellent report writing skills, strong interpersonal characteristics, ability to manage to tight deadlines, strong analytical and strategic planning skills, and experience in managing and directing significant corporate recovery cases with an emphasis on cross border matters is essential.

The range of salary for this will be commensurate with experience and qualifications, with comprehensive benefits package.

**No solicitations from recruitment firms please. Written applications along with detailed resume and references should be submitted no later than 26 June 2014 online at [www.KRYs-Global.com](http://www.KRYs-Global.com)**
