Actuary

Arch Capital Group Ltd. (Arch Capital) is a Bermuda public limited liability company with approximately \$6.79 billion in capital. We write insurance and reinsurance on a worldwide basis through operations in Bermuda, the United States, Europe and Canada, with a focus on specialty lines. We invite applications for the position of:

Actuary

Reporting to the Senior Vice President and Chief Actuary, the primary responsibility of this position will be to support the corporate actuarial and risk management function at the group-level. Specific tasks will include group-level reserving activities, including group-wide reserve reviews, external financial reporting and coordination with various constituents, and the continued development of Arch Capital's internal capital model, with a focus on the calibration, validation and documentation of the model's various components in order to be in compliance with the Solvency II framework and the Bermuda and Irish regulatory regimes. Other duties include stress test analyses, capital allocation, measurement of risk-adjusted performance or any other needs that require actuarial input.

Minimum Qualifications, Skills & Experience:

- Degree in Actuarial Science or related quantitative field such as Mathematics or Finance
- FCAS, FSA, FIA, or equivalent designation
- Minimum of 7 years relevant work experience in the insurance/reinsurance industry
- Expertise in data management, financial reinsurance, risk management, catastrophe modeling is desirable
- Demonstrated proficiency in MS Excel and Visual Basic for Excel
- Ability to manipulate large databases and proficiency in MS Access or SQL or Visual Studio
- Extensive knowledge of Solvency II framework and regulations
- Knowledge of US GAAP accounting regulations; IFRS would be an asset
- Strong interpersonal and communication skills
- Ability to organize and prioritize demanding workload according to volume and urgency

Demonstrated superior interpersonal skills, specifically regards written and verbal communication, presentation, strong analytical and negotiation skills.

Successful candidate will be required to travel extensively and to work outside of normal office hours, including weekends and holidays.

Interested? Please send your résumé to jobs@expertise.bm.

All enquires will be dealt with in strict confidence.

Closing date: July 4, 2014
