

JOIN A WORLD-CLASS ORGANISATION

With operations in 54 countries, ACE Group is one of the world's largest multiline property and casualty insurers.

ACE Tempest Re invites applications for the position of **Senior Vice President, Specialty Lines Manager**. This position will report to the Chief Underwriting Officer, US and Specialty Underwriting. The successful candidate will have a dual role: managing and underwriting specialty lines business and underwriting US property catastrophe business.

Responsibilities include, but are not limited to:

- Market and underwrite specialty lines including, but not limited to, workers compensation, personal accident, aggregates, crop and terrorism reinsurance on a worldwide basis.
- Origination, valuation, and trading of industry loss warranties and catastrophe bonds.
- Market, underwrite and manage retro quota share process.
- Underwrite and manage specific reinsurance facilities and/or programmes.
- Establish guidelines and best practices, and consult with Chief Underwriting Officer regarding production, planning and forecasting, with respect to specialty lines.
- Develop internal tools and processes for specialty lines.
- Market and underwrite US exposed property catastrophe business.
- Quote, negotiate and execute contract terms with brokers and clients.
- Perform pricing analysis including oversight of broker submissions and coordination with analysts regarding catastrophe modeling needs.
- Provide support with respect to retrocessional business.
- Review slips and wording and ensure the contract reflects the coverage to be provided.
- Manage exposure aggregations.
- Provide training and development to fellow team members.

The candidate must possess the following:

- A minimum of 15 years underwriting experience in the United States property treaty or facultative reinsurance market. The applicant must be able to demonstrate experience in all of the following areas:
 - Marketing of reinsurance business to brokers and clients.
 - Developing relationships with key brokers and clients.
 - Negotiating directly with reinsurance brokers and clients.
 - Pricing, quoting and binding US property catastrophe and/or specialty lines business.
 - Reviewing all aspects of contract wording, translating the impact of terms and conditions on price, and crafting contract language that reflects the coverage to be provided.
- Strong analytical skills and working knowledge of probabilistic catastrophe models.
- Excellent verbal and oral communication skills.
- Ability to work on his or her own initiative and in a team environment.
- Motivation to succeed and commitment to a job well-done.
- Numerate Degree required and attainment of additional qualifications (e.g., MBA, ARe, CPCU) preferred.
- Commitment to work long hours including weekends and bank holidays, if required, to achieve business objectives.

Deadline for receipt of applications: Friday 18 July, 2014
