City of Hamilton Burnaby Street Trenching Works

The City of Hamilton wishes to advise all motorists, businesses and the general public that due to technical difficulties the completion of the trenching works will be delayed until Wednesday, 23rd July at the earliest. The current restrictions on traffic flow and parking will remain. The City of Hamilton is working with the contractors to ensure that the works are completed as soon as possible.

The City of Hamilton apologises for any inconvenience this may cause.
