

HC 005 CAREGIVERS

We require suitably qualified caregivers to provide personalised, holistic care and advocacy for our seniors and disabled clients with ongoing needs in live-in and live-out situation as required.

If you have experience providing care and can work flexible hours, then we are interested in meeting with you. These roles require sensible, intuitive and energetic individuals who are interested in supporting the health, well-being and dignity of our clients.

Your objective is to deliver safe, stimulating day to day care in the client's own home. Duties may include but are not limited to:

- Assisting clients with decreased mobility
- Organizing grocery shopping, meal preparation and errands
- Administering first aid including CPR
- Providing assistance with personal care, bathing and dressing
- Attending to laundry and housework
- Organising transport to activities and appointments
- Daily reporting on clients progress and needs
- Providing companionship to clients

These positions attract hours that vary according to each client and require the flexibility to live-in and live-out to meet the needs for our senior and/or disabled clients. The ability to drive will be an asset. You must possess:

- Qualification as a Nurses Aid, Nurses Assistant or equivalent experience
- Minimum of 2 years recent experience in similar roles
- Up to date CPR certification
- Good verbal and written skills
- A Clear Police Report/background check

Please forward CV's to coordinator@atlanticcaregiving.com along with up to date CPR certificates and references.
