

## Senior Reinsurance Accountant

Established in 2007, Catalina Holdings (Bermuda) Ltd. is a successful consolidator of insurance and reinsurance businesses and portfolios in run-off. Catalina has total assets of in excess of \$2.8 billion and expects to continue to grow rapidly over the next few years. Catalina maintains a head office in Bermuda as well as offices in London, New York, Connecticut, Denver, Dublin and Pfaffikon; Switzerland.

Catalina is recruiting a Senior Reinsurance Accountant, to be responsible for the reporting requirements for its subsidiary, Catalina Safety Reinsurance ("CSRE"). The role is based in Bermuda and reports to the Group Financial Controller.

### Key Responsibilities Include:

- Daily administration of CSRE which includes managing all aspects of premium, claims and loss reporting;
- Preparation of monthly financial statements;
- Preparation of budgeting and forecasting for CSRE;
- Preparation of statutory financial statements;
- Recording of all reinsurance accounting entries and provision of data to the Actuary for quarterly reserve reviews;
- Independent analysis & solving of complex accounting issues;
- Participate in the implementation of a new reinsurance accounting & claims platform and in any ongoing changes;
- Responding to financial inquiries e.g. company overheads, inter company balance settlements and financial accounting results;
- Audit assistance including liaising with external auditors for the completion of the annual audits of GAAP and statutory financial statements; and
- Performing any related duties that may arise.

### Candidate Profile:

- A professional accounting designation (CA, ACCA, CIMA or similar) is required;
- 5+years post qualifying accounting experience, of which 3+ years must be in the (re)insurance industry;
- Strong technical & practical knowledge of US GAAP in relation to reinsurance accounting;
- Excellent analytical and organizational skills to understand complicated reinsurance structures & accounting transactions;
- Excellent leadership & interpersonal skills are required to communicate effectively and efficiently with senior management, colleagues, clients & auditors, both at local & overseas level;
- Advanced working knowledge of MS software, specifically Excel (knowledge of TIRS a distinct advantage);
- Ability to work under strict deadlines including a willingness to work long hours & weekends to meet business objectives where required; and
- An eye for detail and ability to prioritize and manage a range of tasks;

Catalina offers a competitive salary, a comprehensive benefit package and an opportunity to get fast tracked in-depth exposure to the reinsurance industry.
