

STORE MANAGER

We are seeking a self-motivated, hands-on Store Manager with management experience in the supermarket industry, who will assume complete responsibility for managing a busy seven-day week operation. The successful candidate will oversee all operational processes including ordering, inventory management, shelf replenishment, training and scheduling staff in conjunction with Department Managers.

Skills, Qualifications & Experience Required

- High school or equivalent combination of education and experience
- A minimum of 5 years retail/customer service management experience in the food industry
- Superior customer service, interpersonal and leadership skills
- Solid communication skills necessary for good team and customer support
- Computer literate with recent POS experience

Please provide a resume with past employment references to:
