## Vice President, Origination

Our client, **Commonwealth Annuity and Life Reinsurance Limited**, is a leading provider of products that offer capital, risk and business solutions for insurance companies throughout Bermuda and the United States is inviting applications for the position of Vice President, Origination.

This position will assume multiple responsibilities relating to key areas of the business within Origination. Reporting to the Managing Director for the Bermuda office, the incumbent will work with global team members to help source, identify, evaluate and perform valuation analysis for acquisitions and other investment opportunities.

**Key Responsibilities include but are not limited to:**

- Lead deal execution process, including financial valuation, structuring, contract negotiation, and due diligence processes
- Research and identify potential strategic business opportunities, including expansion, merger and acquisition and disposals
- Perform quantitative and qualitative analysis used to evaluate potential opportunities
- Prepare internal memoranda, Board reports, external marketing materials and other materials used to support investment recommendations and to communicate with internal constituents

**Minimum Qualifications, Skills & Experience:**

- MBA from an accredited University, with an outstanding academic record
- 5 years of relevant experience in a similar role, including 3 years at an investment bank, private equity fund or hedge fund, or a related capital markets position
- Strong quantitative and technical abilities, including ability to conduct financial and credit analysis
- High attention to detail and ability to manage multiple high-priority projects at a time
- Excellent verbal and written communication and presentation skills, including proficiency with relevant MS Office Suite products

Interested? Please email [jobs@expertise.bm](mailto:jobs@expertise.bm).

All enquiries will be dealt with in strict confidence.

Closing date: September 19, 2014
