

Senior Vice President, Operational Controller

Validus Holdings Limited (the "Company") is a NYSE listed company, with operations primarily consisting of a Class 4 reinsurer writing short tail property catastrophe lines of business in Bermuda (Validus Reinsurance, Ltd.) and a Lloyd's syndicate in London.

Responsibilities will include but are not limited to:

- Managing the Operations department to ensure timely month-end close data extraction and reporting;
- Serving as a liaison and facilitating communication between finance, underwriting, IT, actuarial and claims as required;
- Leading processes relating to underwriting analytical review, comparison of actual results to budget and assisting in the relevant sections of SEC filings as appropriate;
- Leading processes relating to Ceded Reinsurance contracts, Special Purpose Vehicles and Risk Transfer;
- Leading processes relating to reinsurance accounting including, but not limited to, incoming premium cash management, claims payments, receivables and final premium adjustments;
- Overseeing data management and controls for integrity, including ownership and maintenance of the underwriting accounting system;
- Maintaining and documenting procedures and controls over the Operations and Underwriting department cycles for SOX and Internal Audit purposes.

The successful candidate should meet the following requirements:

- CA, CPA, ACA or other equivalent accounting designation required;
- CPCU, ACII or other equivalent underwriting designation required;
- ARe and AIS required;
- A minimum of 8-12 years of post-qualification experience in a reinsurance environment, with a minimum of 6-8 years of direct supervisory experience;
- Extensive experience in reinsurance accounting (assumed, ceded and ILS) and reinsurance underwriting systems is essential;
- Expert level MS Excel skills required, including the maintenance and development of macros using the Visual Basic programming language; proficiency in MS Office, and MS Office 'Power' Business Intelligence;
- Proficiency with SICS v4.4.x policy management system and Business Objects required. SUN GL systems and Active Risk Manager preferred; and
- In depth knowledge of US GAAP required.

Please send your resume and covering letter highlighting your experience as relevant to the role to:
