

Dunkley's Dairy

4 Vesey Street

Devonshire

Tel 292-1310 Fax 292-2934

is seeking to employ a qualified

Plant Maintenance Technician

The successful applicant must be an enthusiastic team player who is able to work on their own initiative in a busy and diverse work environment.

The post holder will need to be available to attend equipment breakdowns during the early morning hours. Occasionally, there will be a requirement to work evenings and weekends to complete essential repairs.

Proven experience with mechanical equipment repairs is essential. Main duties will include, repairs to packaging and process equipment, boilers and other associated auxiliary equipment. Maintenance work on other company owned properties will also be included in the scope of the job.

The company offers a comprehensive benefit package. Remuneration will be commensurate with experience and qualifications.

Interested persons should fill out an application form at our
Vesey Street Office.

Closing date for applications: October 21st , 2014
