

JOIN A WORLD-CLASS ORGANISATION

ACE Group Management and Holdings Ltd. invites applications for the position of **Director of Planning and Financial Analysis** reporting directly to the Chief Accounting Officer.

The Accounting and Finance Group is responsible for providing financial leadership across the company, in order that strategic objectives, as well as internal and external financial requirements are reported and met. The work of the group is high profile and fast moving, involving regular interaction with the senior global finance team and with ACE's global operating segments.

With operations in 54 countries, ACE Group is one of the world's largest multiline property and casualty insurers.

Responsibilities include, but are not limited to the following:

- Providing detailed and pragmatic quantitative analysis on financial reports, including, but not limited to subsidiary and consolidated financial statements, forecasts and budgets, together with commentary from each of the respective subsidiary companies
- Assisting in the development and presentation of regular, periodic analytic reports for Senior and Executive management for the ACE Group
- Delivering ongoing enhancements to the process and providing ad hoc financial analysis to ACE's operating management

Qualification and Experience:

- Internationally recognized professional accounting designation (CA or CPA)
- Ten (10) years post qualification experience
- Chartered Financial Analyst (CFA) is a must
- Extensive familiarity with insurance and reinsurance accounting, reporting and analysis
- Proven track record in financial analysis and/or accounting for insurance companies
- Experience in US GAAP reporting for the insurance industry
- Proficient in the use of Microsoft Office, particularly Excel and PowerPoint
- Excellent interpersonal and communication skills, capable of interacting effectively at very senior levels within the global finance teams
- Highly motivated self-starter, with the confidence and analytical ability to challenge information and identify critical areas on which to follow up
- Willingness to travel overseas and to work overtime, as required during peak periods

Deadline for receipt of applications: Monday November 17, 2014

Please apply with cover letter and resumé to:
