

DYNAMIC EXCAVATING & LANDSCAPING LTD.

REQUIRES

EXPERIENCED LANDSCAPE GARDENERS

Applicants must have a minimum of three years' experience in all areas of landscaping including operating ground care equipment, skilled in seeding, fertilizing, hedge trimming, pruning and planting. Applicants must also be able to weed gardens. Experience in laying garden pathways and building decorative dry stone walls is also required.

HEAVY MACHINE OPERATORS

Applicants must have a minimum of three years' experience in operating excavating machinery including BOBCATS, EXCAVATORS as well as TRACK MACHINES. Applicants must also have the knowledge to maintain such machinery.

Applicants for both positions must be reliable, able to work in a physically demanding and strenuous environment and be able to work alone with limited supervision. Both jobs require applicants to be able to work weekends, public holidays and be able to start at 6:45 am. Applicants must have their own transportation and a valid heavy truck license. Excellent professional references are required and applicants may be asked to take a practical test.
