

PAN-EUROPEAN SALES TRADER

Castle Harbour Holding Limited is an investment broking company seeking a highly motivated Pan-European Sales Trader to join their performance-oriented team. The successful candidate will have exceptional business and ethical standards and will have the demonstrated ability to work in a demanding, fast-paced environment.

Responsibilities:

- Maintain a current detailed knowledge of market trends, newsletters and other investment data sources, which are very important to our direction and success.
- Nursing of institutional client trading relationships.
- All asset classes trade execution via DMA and Algorithm.
- Identification and control of operational risks.
- Generation and follow-up of trading ideas and investment strategies.
- Liaising with senior officers on operational related matters, including ad-hoc requests and regulatory requirements.

Job Requirements:

- Minimum of five years' experience with global markets (covering all asset classes), including some years as a producer.
- An exceptionally strong and proven expertise in trading and program trading is essential.
- As our significant market and client activities are in Europe, excellent written and spoken fluency in at least English and French is essential.
- Ability to work in a fast-paced, dynamic environment with changing priorities and ability to manage multiple tasks and projects with a high attention to detail and accuracy.
- Proven planning and organisational skills with a strong personal drive and initiative.

This is an opportunity to join an exciting investment team with excellent contacts in the European and world investment markets. We offer a competitive salary, an outstanding benefits package plus the opportunity to grow and develop with the company.

Applications - with CVs, references and relevant documents attached - are invited from qualified, experienced persons and should be sent to:
