

Our client, **Johnson's Marine Services** is seeking applications for the following positions:

Marine Technician: Responsibilities include but are not limited to maintaining and repairing clients' boats and engines.

A Marine Technician certification is required in addition to factory training and five (5) years continuous experience in servicing boats and engines (Yamaha, Mercury and Mercruiser).

Boat Detailer: Responsibilities include but are not limited to detailing clients' boats and painting as necessary.

Four (4) years experience in detailing boats and extensive experience working with boat cleaning products and marine paint is required.

A proven history of excellent timekeeping, attendance and teamwork is required for both positions.

Interested applicants should submit their resume along with two (2) references, including one from a previous employer. Skills, work capacity and pre-employment drug testing will be administered.
