

**TRADING ANALYST****COMPANY DETAILS:**

Since Orbis' inception in Bermuda in 1989, our purpose has been straightforward: to empower our clients by enhancing their savings and wealth. We strive to offer clients value for money through long-only equity, balanced, and absolute return funds built on fundamental, long-term, and contrarian principles. We seek talented and self-motivated individuals who exhibit the courage to think independently and demonstrate a drive to excel.

**ROLE & RESPONSIBILITIES:**

Under the direction of the Head of Trading, the successful candidate will join the 24-hour global trading team as a Trading Analyst primarily covering European markets. Their responsibilities will include, but not be limited to, obtaining best execution of investment ideas across equity, equity derivatives, foreign exchange and fixed-income asset classes; ensuring compliance with multiple Fund and market restrictions; performing trading research and execution analysis; and, providing market insight to the Portfolio Managers. Assisting in the risk and compliance functions are also major components of the role. The successful candidate will be working with and assisting more senior personnel and will be expected to master the position within a very short period of time under minimal supervision.

**KEY STRENGTHS:**

Thoroughness and attention to detail are essential. Self-starter with the ability to work on his/her own initiative as well as part of a team. Positive attitude. Honest and reliable. Extremely motivated with demonstrated good judgment and strong computer skills. Diligent. Able to think quickly and clearly. Excellent communication and organizational skills. Strong interest in financial markets and investing.

**QUALIFICATIONS:**

The successful candidate is required to have a first-class (GPA >3.5) Bachelor's or Master's degree, in a highly numerate discipline (e.g. mathematics, engineering, economics) from a top tier university. The candidate will possess or be willing to work towards the CFA designation or similar industry qualification. A demonstrable track record of excellence in academic and professional endeavors is required.
