Key Management Services Limited

AVP - Financial Planning & Analysis

Key Management Services Limited ("KMS") provides comprehensive management services to all of the companies within the KeyTech Group. These services include, but are not limited to, human resource management, information technology and financial services. KMS is a member of the KeyTech Group of Companies.

KMS is seeking a self-motivated individual who is detailed-oriented, possesses advanced knowledge of financial planning, forecasting and analytical techniques as well as strong communication skills for the position of **AVP - Financial Planning & Analysis**.

Reporting to the Chief Financial Officer of KeyTech Limited, the successful candidate will provide, implement and maintain an effective level of planning and analysis that will provide senior leadership with the appropriate analytics to establish goals and measure the performance of the Company's business portfolios.

Other Key Responsibilities include (but are not limited to):

- Develop and communicate business unit and company consolidated financial and operational performance trends
- Coordinate and manage the annual operating and capital budget process for the group of companies
- Develop and execute processes to assist with routine analytical reviews of company financial and operational performance
- Prepare presentations in support of Board and Shareholder meetings, senior management meetings and various strategic committees of the company; and support the strategic business planning process
- Provide new and existing product analysis to determine product profitability for various subsidiaries
- Manage Billing and Collections functions for KMS Finance
- Manage share registry system conversion and ongoing systems support post implementation

The successful candidate must possess the following criteria:

- Recognized professional accounting designation (CA, CPA, CMA, CIMA) is required and a minimum of 5-7 years post qualification experience in a similar role
- Minimum 6 years of relevant experience, gained within a large, multi-national corporation, which includes 3 years experience within a telecommunications environment
- Project Management designation would be an asset
- Strong technical background in operating budget and capital budget management, forecasting and costing and profitability models
- Experience in financial modeling and analysis to support product pricing for existing and new product development
- Experience with Great Plains accounting systems would be an asset

All interested persons should apply with a cover letter and detailed resume via www.keytech.bm/careers/

Closing Date: 28 January, 2015
