

BERMUDA
SCAFFOLDING
COMPANY LIMITED

Bermuda Scaffolding Company Ltd.

Requires a
LEAD SCAFFOLDING SUPERVISOR

Applicants must have MVQ Level 2 rating or equivalent and at least 10 years' experience in a comparable position. Full knowledge of and extensive experience with pipe and clamp and system-type scaffolding is essential.

This position is a hands-on role and requires the ability to supervise and lead crews working on multiple projects. The Lead Scaffolding Supervisor will design, build and maintain scaffolding solutions according to Bermuda's Health and Safety regulations, as well as assist in ongoing training of staff and monitoring the progress of employees.

Please submit a full resume in writing by **March 15th** to the Company President at elawrence@ibl.bm, Tel: 505-0088
