

# Gardener

## Required for Palm Grove Gardens

Duties involve regular gardening and propagation and sale of nursery plants. Candidates must be fully experienced including holding a Nursery person's Certificate and be willing to work Saturdays in the gardens.

This position also includes care of parrots at Palm Grove which must be cared for throughout the year. Although the post is substituted for during the holidays and illness, candidates must be aware of the holiday and weekend work involved in this. The successful applicant must be able to demonstrate an excellent working knowledge of parrot care and feeding.
