

JEFFREY AND SONS is looking for a young Bermudian to fill a **part time position**. Position may eventually move to full time depending on the work load. A good opportunity for a reliable position in a respected career field. Applicants must be Bermudian, able to use a tape measure and make basic calculations, and must also have experience with saws and drills. We are looking for a carpenter or at least someone with carpentry skills would be an asset but training is available on job. Applicants **MUST** be reliable, and willing to work. No cell phones allowed on the job. All specialized training will be onsite and provided by the company. We are looking for a good employee to invest in, train and grow with the company.

Apply to S.murray@logic.bm and cc. Jag.con@ northrock.bm

No time wasters please.
