## PROGRESS. PASSION. POSSIBILITIES.

KPMG professionals are individuals who take deep personal accountability for their work, have a passion for excellence, remain driven to achieve their full potential and understand the value of building relationships with clients, future clients, their communities, the global firm and each other. A KPMG professional has a strong work ethic, thrives on challenges, and is dedicated to providing outstanding client services.

KPMG in Bermuda serves an international client base. The Advisory team can help businesses address the most complex challenges by drawing on resources and skills across its global network. We are looking for a Senior Manager to support us in maintaining our reputation as a leader in Advisory services both in Bermuda and globally.

### Senior Manager

KPMG Advisory is looking for a Senior Manager with experience and proven track record in Restructuring including, but not limited to, experience in managing a diverse portfolio of engagements and working with multi-disciplinary teams to deliver the following services:

- Independent business reviews;
- Court and non-court appointed restructurings, liquidations and receiverships;
- Cash management;
- Process re-engineering and operational improvement;
- Business integration; and
- Project management.

#### Candidates must have the following qualifications, skills and attributes:

- A degree in business, law or a related discipline is required and preferably an accounting and/or insolvency qualification;
- A minimum of five (5) years of experience in an Advisory business providing the aforementioned Advisory services to a broad range of international and local clients;
- Extensive experience leading multi-jurisdictional teams on complex engagements, including the demonstrated ability to manage large concurrent engagements;
- Extensive experience of successfully managing and delivering independent business reviews;
- An in depth knowledge of Restructuring legislation and regulation;
- A proven track record of strong business development results and excellent client relationship skills;
- The ability to work independently with minimum supervision and a proven ability to work with and manage a diverse team is essential;
- First class written and oral communication skills as well as excellent presentation skills with the ability to produce and review complex reports and proposals;
- Exceptional people skills with the ability to work with staff of all levels (including the ability to coach and develop team members) and develop internal and external networks;
- A willingness and capacity to work overtime and travel at short notice is essential as this is a highly demanding environment with very tight reporting deadlines; and
- Must be a mature, self-motivated individual who is well organised, hard working, enthusiastic and professional.
