Service Technician

Efficient Technologies Bermuda Ltd. (Eff-Tech) is seeking a Service Technician. The successful candidate must be an experienced self-motivated individual with excellent interpersonal, service and communication skills. This newly developed role will report directly to the Service Team Leader and work alongside a team of HVAC professionals.

Key Responsibilities:

- Service and maintain heating, ventilating and air conditioning (HVAC) systems, inclusive of split, package units, VRF systems and DDC control systems
- Perform repairs and overhauls of both commercial and residential equipment to high standards
- Interpret and understand blue prints, wiring diagrams, piping schemes and engineering specifications
- Perform site surveys, replacements, modifications and technical support
- Remain current on all projects concerning maintenance, service and repair
- Mentor and train other HVAC Technicians and Apprentices in the servicing of all mechanical systems using HVAC best practices

Minimum skills, qualifications and experience:

- High school diploma
- Industry certificate/diploma preferred
- 3 year's experience servicing and repairing commercial and residential systems
- Ability to propose relevant solutions based on customers needs
- Professionally presented, ability to communicate with customers at all levels
- Valid Drivers Licence

Interested? Please email jobs@expertise.bm.

All enquires will be dealt with in strict confidence.

Closing date: March 27, 2015
