

CERTIFIED XEROX TECHNICIAN

A.F. Smith is committed to delivering service excellence. We are seeking a technically astute individual who has high levels of initiative, technical skills and a customer-centric orientation.

We require a Certified Xerox Technician to provide troubleshooting, repair and maintenance for our complete product line. Candidates must be certified on Xerox's ColorQube and High Production Color devices as well as possess expertise on Xerox's FreeFlow, EFi Fiery Systems, ScanFlowStore and Equitrac. High levels of computer literacy and networking experience are required together with problem solving and strong team communication and analytical skills.

To apply please send your resume to:
Kay Dutton, Office Manager, A. F. Smith,
P.O. Box HM 1603, Hamilton HM GX or to kdutton@afsmith.bm

Closing Date: March 31st, 2015
