

## **Consultant Research Analyst**

The Bermuda Business Development Agency (BDA) is accepting proposals for an international research project. With this request we are seeking a Consultant Research Analyst to conduct a full-scale research project on International Arbitration Centres.

The professional analyst may submit proposals to provide reliable and current information on the operation and platforms of International Arbitration Centres across the world and to determine how to meet the demands of the international business community for a neutral, efficient and reliable dispute resolution institution in Bermuda.

A Request for Proposal (RFP) with full details is available to all interested persons. The purpose of this RFP is to provide a fair evaluation for all candidates and to provide the candidates with the evaluation criteria against which they will be judged. To obtain a copy of the RFP please contact:

## **About the BDA**

The BDA encourages direct investment and helps companies start up, re-locate or expand their business in Bermuda. An independent, public-private organisation, we connect prospective business to industry professionals, regulatory officials, and key contacts in the Bermuda Government to facilitate jurisdictional decision-making. Our goal is to grow the island's GDP and jobs.
