

SENIOR UNDERWRITER PROFESSIONAL LINES

Argo Re Ltd. (Argo Re) is a member of Argo Group, an international specialty underwriter which offers through its operating subsidiaries high-quality commercial Property and Casualty insurance and reinsurance products and services that are tailored to the needs of businesses and public entities.

Reporting to the Argo Re Professional Lines Underwriting Manager, the **Senior Underwriter Professional Lines** will be responsible for underwriting risks and the marketing and development of existing relationships with our brokers.

Duties and Responsibilities:

- The underwriting and development of Argo's Directors and Officers, Errors and Omissions, Employment Practices Liability, Cyber and Wage & Hour insurance business.
- Participating in underwriting meetings with senior insurance brokers, and CFO's, General Counsel, Treasury and Risk Managers of our existing and prospective clients.
- Maintaining and developing relationships with Bermuda, US and international brokers to produce and maintain profitable business.
- Maintaining relationships and active involvement with various industry, trade and rating organizations.
- Assisting with the development of new products and wordings.
- In-depth understanding of Professional Liability contracts.
- Extensive knowledge of and established (good) working relationships with brokers in the North American and Bermuda markets.
- Strong relationship management and communication skills (both written and verbal).
- Undergraduate degree in a business or finance related subject and/or professional insurance designation (e.g. CPCU, ACII, RPLU).
- Strong analytical skills and excellent problem solving (using quantitative methods) and decision making abilities are absolutely essential.
- Experience working with senior insurance brokers, and CFO's, General Counsel, Treasury and Risk Managers of our existing and prospective clients.

Qualifications:

- At least 7 years prior primary and/or excess professional lines underwriting experience, specifically related to Directors and Officers Liability Insurance, Employment Practices Liability Insurance, and Errors and Omissions Liability Insurance.
 - At least 3 years prior primary and/or excess cyber risk underwriting or broking experience.
 - Demonstrate knowledge of analysis and quantifications of professional liability risk exposures for large market capitalization companies.
 - Demonstrate understanding of information security and privacy risks including risk mitigation practices.
 - Strong marketing, financial analysis, negotiation and presentation skills.
 - Willingness to travel and work weekends and holidays as required.
- Qualified candidates should submit a detailed résumé with references to Human Resources, Argo Group, P.O. Box HM 1282, Hamilton HM FX or to hrbermuda@argolimited.com.
- Closing date for applicants is April 10, 2015.
