

## Vice President – Head of Internal Audit

On behalf of our client BF&M Insurance Group Ltd., we are seeking applicants for the position of Vice President – Head of Internal Audit.

### The Role:

The Internal Audit function helps the Board and executive management protect the assets, reputation and sustainability of the organization through a risk based audit approach aligned with the Company's risk management and business objectives. As leader of the function, the Head of Internal Audit sets the strategic direction and takes accountability for execution of the Internal Audit mandate.

### The responsibilities will include:

- Planning and conducting of audits throughout the various groups within the business
- Efficient leading and managing of internal resources
- Preparing relevant audit materials and reporting to the Board of Directors
- Designing and developing an internal control framework and governance processes

### The successful candidate will possess:

- At minimum five (5) years' relevant senior audit and risk experience gained from working in Bermuda and/or within the Caribbean region
- Certified Internal Auditor designation (additional designations would be an asset)
- Extensive experience of working within a publicly traded company
- Significant experience designing and executing audit engagements
- Thorough knowledge of International Professional Practices Framework ("IPPF") & Bermuda Monetary Authority regulatory requirements
- Understanding of Caribbean regulatory requirements
- Confidence in leading through influence and competent at building successful relationships across multi-jurisdictions
- Strong verbal and written communication skills
- Comfortable both designing structures and executing to produce deliverables
- Self-starter and highly organized

We offer a fantastic opportunity to join a market leader who invests in their People! For more information, or to confidentially apply for this position – please reach out today
