Air Traffic Control Specialist (Temporary Position)

BAS-Serco Ltd, a Bermudian joint venture company offering Facility Management and general outsourcing services, is seeking applicants for:

Air Traffic Control Specialist (Temporary Position)

The Air Traffic Control Specialist is responsible for providing air traffic services in a safe, orderly and expeditious manner to all arrivals, departures and over-flights operating within the designated Bermuda Class D Airspace. They also control, and provide an advisory service to, all aircraft and vehicles operating on the airfield at the LF Wade International Airport.

Candidates must hold a valid, ICAO recognized, air traffic control licence, or equivalent which is recognised by the Bermuda Department of Civil Aviation, and which must include a current aerodrome control rating. Candidates must possess a recognized air traffic control medical certificate issued in accordance with ICAO standards, or equivalent, and they must also be able to obtain a Bermuda Department of Airports Operations Restricted Airside Pass.

Additionally, the individual must be reliable and trustworthy, be able to demonstrate the ability to work within a team environment, be able to cope with pressure, make timely decisions and solve complex problems on their own, as well as possess excellent oral and written communications skills. Applicants will be required to provide suitable references.

In return, the company offers an attractive salary and benefits package. If you are interested in the position, please send a résumé, under a covering letter highlighting how you match our criteria to the ATCS Manager by e-mail to mbourne@bas-serco.bm or by mail to BAS-Serco Limited, P.O. Box GE 123, St. George's, GE BX, or by hand to our offices at 54 Southside, St. David's.

All applications will be treated in strictest confidence.

Applications must be received by the close of business, **April 17, 2015**.

BAS-Serco – At the leading edge of outsourcing in Bermuda
