

# BERSALON

## **SPA MANAGER/TRAINER**

A combination role of spa management, active participation in treatments and services as well as training of new staff and updating current staff on treatment protocols. Must be a fully qualified therapist with a broad range of skills and be a Licensed Trainer for Guinot of Paris skin care line. Must be able to train staff to certification level in the full range of Guinot treatments and be knowledgeable of all their professional and retail products and efficacy. A minimum of five years proven and successful experience in a similar supervisory and training position in a resort or day spa is essential.

## **HAIRSTYLISTS**

This is a great opportunity for talented stylists who are seeking a new challenge, to join our team at The Inner Sanctum Salon. Must be qualified to City and Guilds or NVQ Levels 2 and 3 or similar international standards and have a minimum of two years post-qualification experience in a recognised salon. Strong technical skills in cutting and coloring, as well as modern styling are also required, as well as the ability to build and maintain a clientele. Knowledge of Redken and Kerastase hair care lines an advantage, although training will be offered.

## **BEAUTY THERAPISTS**

Must be full qualified in all aspects of Beauty Therapy to BTEC, City & Guilds, CIDESCO or similar international standards, plus two years post-qualification experience. Extra diplomas in Guinot and or Jessica Nails an advantage, although training will be offered. High volume service and retail skills are necessary as well as the ability to build and maintain a clientele.
