

CLERMONT INVESTMENTS LIMITED

is seeking a

FINANCIAL CONTROLLER

Clermont Investments is the parent company of one of the largest retailers in Bermuda. The company is seeking a Financial Controller to join and lead the finance team. The candidate selected will be a key member of both financial and operational management teams and responsible for adherence to internal controls, accounting processes and all external and internal financial reporting of the retail business. The position reports to the CFO and President.

Key duties and responsibilities:

- Responsible for all the financial and board reporting for the retail operating company.
- Strategic financial planning & analysis for the CFO and President.
- Supervising a finance team of over twenty people for the company's accounts payable/receivable cycles, payroll and foreign custom clearance department.
- Responsible for all internal and external performance reporting.
- Lead technical person for accounting & IT system modifications that affect finance.
- Finance lead on quarterly inventory counts.
- Primary contact for annual audits.
- Accountable for all government filings to various departments.
- Supporting other financial functions of the company, including training the corporate finance team.
- Required from time to time to work evenings and weekends to meet certain aspects of the job.

Key Qualifications:

- An internationally recognized accounting designation that is eligible for membership with CPA Bermuda (i.e. CPA, CA; CPA, CMA; CPA, CGA), with ten years post-qualification experience in a senior financial role.
- Strong analytical and problem solving skills.
- Excellent ability to respond quickly in a fast paced, deadline driven environment, dealing with multiple stakeholders.
- Strong interpersonal and communication skills to manage relationships throughout the organization
- Detail oriented with the commitment and motivation to ensure work is completed to a high standard.
- Experience working in a multi-system environment with strong computer/IT skills.
- Highly proficient and skilled in Microsoft Excel and Dynamics GP. At least five years' experience working with Microsoft Dynamics GP and FRX reporting.
- Must have retail finance experience.
- Experience reporting under Canadian Generally Accepted Accounting Principles.
- Must have inventory management experience.
