Vice President, Underwriting

Who are we?

Hiscox Bermuda underwrites a variety of reinsurance business including catastrophe, risk excess of loss as well as some internal reinsurance. We are a modern business with traditional values – courage, quality, integrity, excellence in execution, and respect. Together these values make up what we call the Hiscox spirit: 'challenging convention'. We're different from other insurers because we live up to it, and challenge convention in everything we do. Our success relies on each one of us doing so, whatever our job, wherever we work.

The role

The VP, Underwriting role has responsibility for managing and growing a healthcare professional liability book of business through underwriting and portfolio management of insurance and reinsurance programs specifically targeting the global healthcare industry. Utilization of actuarial skills essential through rating process to ensure programs are priced appropriately and to manage the portfolio including analysis of reinsurance options. This position is also charged with managing, motivating and developing junior underwriting professionals.
