Heavy Equipment Operator

Our client, SJ Construction, is currently seeking to fill the role of Heavy Equipment Operator.

Applicants must possess the following: Knowledge of all aspects of Excavating and Demolition. Five to ten years experience in Heavy Equipment such as pay loaders, sifting and crushing plants, all size excavators, unloaders and forklifts. Experience in operating Hydraulic Crane is an asset. Must be willing to work long hours, including weekends and public holidays when necessary. Only honest, reliable individuals with good timekeeping need apply.

Due to the serious nature of the position the successful candidate will be drug tested and followed up with a police check. Please send two (2) written references with details of work experiences and two (2) character references to jobs@expertise.bm

All enquires will be dealt with in strict confidence.

Closing date: August 28, 2014
