

IMPORTANT INFORMATION

FOR EMPLOYERS AND SELF-EMPLOYED PERSONS

Did you know:

- that by law, all employers (including self-employed persons) must insure each employee and their unemployed spouse for at least minimum hospital benefits from the start of employment?
- that employers and self-employed persons who fail to obtain health insurance are liable for prosecution and hospital costs if hospital treatment is required?

However, for \$433.31 per month, anyone can obtain basic health insurance coverage through the Government's Health Insurance Plan (HIP) with NO medical examination required.

During HIP's Open Registration period from 1 September through 14 September 2015 you can obtain coverage for:

- Hospital treatment
- Doctor's visits (in-hospital, home and office)
- Basic dental coverage
- Diagnostic imaging and laboratory testing

Obtain information and HIP applications online or at our office, located on the 2nd Floor of Sofia House, 48 Church Street, Hamilton.
