

We're hiring Financial Advisory Associate.

We are seeking a highly motivated Associate to join Deloitte's Financial Advisory (FA) department. The successful candidate will assist with the day-to-day production of solvent and insolvent engagements consulting and will report to senior associates and managers.

Primary responsibilities include:

- Assist with due diligence and client acceptance
- Preparation of liquidation documents
- Tracking liquidation engagements
- Creating and continually updating financial statements and writing financial reports
- Capable of selecting the correct tools and methodologies to carry out work assigned and document work performed
- Maintain independence and an attitude of objectivity in the performance of services
- Comply with personal and other requirements set by regulatory bodies relating to engagement/project acceptance and relationships with clients

Required Qualifications and Skills:

- A Commerce or business administration degree with a specialization in Accounting, Economics, or Finance
- Completion of or in the process of completing a specialized qualification such as the CPA, CPI, or CBV
- A minimum of two years in a professional services firm, big 4 preferable
- Previous insolvency experience preferable
- Advanced problem solving and research skills
- Strong knowledge of MS Office (particularly Excel)
- Must demonstrate good organizational skills to meet tight reporting deadlines
- Ability to prioritize and problem solve

Applications should be sent via email, in the form of a resume and cover letter to cbc.recruitment@deloitte.com.

Alternatively, applications may be sent to the mailing address below:
