Assistant Manager/Manager

KPMG in Bermuda serves an international client base. The Advisory team can help businesses address the most complex challenges by drawing on resources and skills across its global network. We are looking for an Assistant Manager/Manager to support us in maintaining our reputation as a leader in Advisory services both in Bermuda and globally.

This role involves a diverse portfolio of engagements working with multi-disciplinary project teams to deliver a range of client projects including:

- Foreign Account Tax Compliance Act (FATCA);
- Anti-Money Laundering (AML);
- Regulatory compliance;
- Forensic investigations; and
- Risk consulting.

The successful candidate will have proven experience in leading project teams or participating at a managerial level in delivering the aforementioned Advisory services. The candidate will need strong project management skills and the ability to work within multi-disciplinary project teams across a broad client portfolio which may involve working in other jurisdictions at short notice, therefore the ability to travel is essential.

An Assistant Manager/Manager in Forensic Advisory must have the following qualifications, skills and attributes:

- A degree in accounting, compliance, law, or business or a dual degree in these areas;
- A minimum of three (3) years of experience in an Advisory business providing FATCA, AML, regulatory compliance or investigations to a broad range of international and local clients;
- Preferably an in-depth knowledge of FATCA and AML regulatory requirements;
- A professional qualification in a relevant discipline;
- Candidates must have strong presentation skills as the role require regulars internal and external presentations to be delivered as well as a proven ability to competently discuss related matters with clients;
- Business development will be a core part of the role. Candidates should have a demonstrated track record of successful business development experience and an interest in expanding their skills in this area;
- Excellent client relationship skills are essential;
- Exceptional people skills with the ability to work well with staff of all levels, including the ability to coach and develop team members;
- First class written and oral communication skills including the ability to produce and review complex financial and regulatory reports and proposals;
- Demonstrated project management skills and experience in leading, and working with senior management on complex engagements;
- A high degree of competence in Microsoft Word, Excel, PowerPoint and Outlook is required;
- Candidates must demonstrate they are capable of working with demanding situations that require the ability to multi-task on a daily basis; and
- A willingness and capacity to work overtime at short notice is essential as this is a highly demanding environment with very tight report deadlines.
