Senior Vice President - Equities and Equity Strategies

Arch Investment Management Ltd. (AIML), based in Bermuda, is a wholly-owned subsidiary of Arch Capital Group Ltd., a leading insurance and reinsurance company. Arch Capital has approximately \$7bn of capital and investable assets of more than \$14bn. Arch Investment Management is responsible for managing the portfolios of Arch Capital and its subsidiaries. AIML does not manage assets for unaffiliated entities.

Senior Vice President – Equities and Equity Strategies

The position of SVP of Equities and Equity Strategies will be based in Bermuda and will report to the President of AIML. This individual will manage the equity portion of the Arch investment portfolio, including public equities (whether in separate accounts or mutual funds), equity-focused hedge funds and equity co-investments/opportunities arising from the Company's alternative investment portfolio. Total relevant AUM is approximately \$1bn at present. The successful candidate will be responsible for analyzing specific companies and investment opportunities, both public and private, and selecting and overseeing external equity managers. He or she will work in close collaboration with the SVP - Alternative Investments, with the SVP, CIO - Fixed Income and with Arch's external investment consultant, Albourne Partners.

This person will be a team player with a passion for investing. He or she will be creative, will operate comfortably without close direction and will willingly engage in collegial debate on topical investment issues. This person must have a track record as an equity analyst, an equity fund manager and managing/investing in alternative strategies such as long/short equity and private equity funds.

Minimum Qualifications, Skills and Experience:

- Minimum of 15 years' experience in the investment industry
- Proven track record as an equity research analyst at Director level
- Diverse capital markets experience on both buy and sell sides
- Demonstrated experience managing equity portfolios for institutional investors
- Experience as a manager of or institutional investor in alternative investment products
