

Hamilton Re Ltd. invites applications for the position of:

JUNIOR RISK ANALYST

Hamilton Re is the Class IV Bermuda reinsurer of Hamilton Insurance Group, the Bermuda-based holding company for insurance and reinsurance operations that underwrite property and casualty risks in Bermuda, the U.S. and at Lloyd's. The company leverages analytics and research to create underwriting and investment value for its clients and shareholders.

Duties and Responsibilities:

- Work closely with the Direct Insurance underwriting team in analysing first-party insurance and facultative reinsurance contracts
- Receive submissions, maintain submissions log, and set up new business and renewal files
- Ensure timely login and accuracy of all underwriting data within the underwriting and other relevant business systems
- Assist with preparation and issuance of quotes, authorizations, general correspondence and renewal letters
- Process, cleanse and analyse natural catastrophe risk data on all pre-inception submissions when they are received
- Run multiple catastrophe modeling software packages, including RMS and AIR
- Price contracts in our proprietary modeling system, providing pricing feedback to the underwriters along with detailed exposure summary evaluations
- Assist with portfolio catastrophe aggregates across multiple perils and regions
- Maintain and re-run catastrophe models across D&F portfolio as vendor models are released and updated
- Occasionally attend client meetings and be able to discuss modeled output/results with brokers and buyers

Minimum Skills, Qualifications and Experience:

- University degree in maths, science or statistics
- Base knowledge of insurance contract language, terms and conditions found on slips and in policy forms
- Preferred knowledge of RMS "RiskLink" and AIR "Touchstone" vendor modeling software
- High proficiency in Microsoft Excel and data management

Interested persons should submit a detailed résumé or schedule a confidential meeting with Laura Jackson, Island Employment Partners Ltd. **Deadline for applications is Friday, November 6, 2015.**
