

## CONTROLLER

QBE Insurance Group is Australia's largest international general insurance and reinsurance group and one of the top 20 insurers and reinsurers worldwide as measured by net earned premium, with operations in all key insurance markets. QBE is an Australian listed company with a Group Head office based in Sydney, and has operations in 52 countries with over 16,000 employees worldwide.

**Equator Reinsurances Ltd.** currently operates as the internal reinsurance platform to QBE companies and partners providing excess of loss and proportional reinsurance protection. Equator Re underwrites property catastrophe, property risk and casualty business on a global basis and has written premium in excess of USD3 billion.

An opportunity exists for an experienced and qualified Controller to join the company. Reporting to the Chief Financial Officer, the successful candidate will develop and direct financial operations by implementing strategic vision; collaborating with key stakeholders; leading finance team and managing the accurate and timely production of financial statements to achieve department standards and meet service level expectations.

### **Key Responsibilities will include:**

- Directing and executing strategic financial operations by leading the verification and tracking of multiple accounting transactions and ensuring monthly, quarterly and annual AIFRS and Bermuda Statutory Financial Reports, quarterly reforecasts, annual business plans and ad hoc requests are completed in an accurate, efficient and timely manner
- Delivering treasury and controller business strategies by maintaining relationships with internal and external key stakeholders and utilizing financial acumen and knowledge of market competition and best practices to drive the adoption of innovative tools and effective product development for the achievement of profitability objectives
- Collaborating with internal and external stakeholders by acting as a subject matter expert and sharing knowledge and financial expertise to provide vision around reporting processes and long-term financial strategies
