

PROGRESS. PASSION. POSSIBILITIES.

KPMG professionals are individuals who take deep, personal accountability for their work; have a passion for excellence; remain driven to achieve their full potential; and understand the value of building relationships with clients, future clients, their communities, the global firm and each other. A KPMG professional has a strong work ethic, thrives on challenges, and is dedicated to providing outstanding client services.

KPMG in Bermuda serves an international client base. The Advisory team can help businesses address the most complex challenges by drawing on resources and skills across its global network. We are looking for a Senior to support us in maintaining our reputation as a leader in Advisory services both in Bermuda and globally.

Senior

The successful candidate will ideally have proven consulting experience in the following types of engagements:

- Regulatory compliance, proactive and reactive services;
- Risk consulting; and
- Assurance engagements.

The candidate will need strong organizational skills and the ability to work within multi-disciplinary project teams across a broad client portfolio which may involve working in other jurisdictions at short notice, therefore the ability to travel is essential.

A Senior in Risk and Regulatory Compliance must have the following qualifications, skills and attributes:

- A degree in accounting, compliance, law, or business or a dual degree in these areas;
- A minimum of two years of experience in an advisory business providing regulatory compliance and or risk consulting services to a broad range clients;
- Preferably a strong knowledge of AML/ATF regulatory requirements;
- A professional qualification in a relevant discipline would be preferred;
- Candidates must have strong presentation skills as the role require regular internal and external presentations to be delivered;
- Excellent interpersonal and client relationship skills are essential;
- First class written and oral communication skills;
- A self-motivated individual, with strong organisational skills, the ability to multi-task on a daily basis and high levels of drive and resilience;
- Be a strong team player;
- A high degree of competence in Microsoft Word, Excel, PowerPoint and Outlook is required; and
- A willingness and capacity to work overtime at short notice is essential as this is a highly demanding environment with very tight report deadlines.
