

**GLOBAL INVESTMENT ANALYST AND  
PORTFOLIO COUNSELLOR**

---

**COMPANY DETAILS:**

Since Orbis' inception in Bermuda in 1989, our purpose has been straightforward: to empower our clients by enhancing their savings and wealth. We strive to offer clients value for money through long-only equity, balanced, and absolute return funds built on fundamental, long-term, and contrarian principles. We seek talented and self-motivated individuals who exhibit the courage to think independently and demonstrate a drive to excel.

---

**ROLE & RESPONSIBILITIES:**

Equity selection is at the heart of our investment process. The Global Investment Analyst will conduct rigorous, fundamental research on global equities to express independent investment recommendations and form views on the recommendations of other analysts to make effective investment decisions for the Funds. As this is a global research role, regular travel and unpredictable hours are to be expected. Remuneration and progression will be largely dependent on the ability to make exceptional investment decisions that benefit our clients.

---

**KEY STRENGTHS:**

An independent and strategic thinker with a passion and extraordinary skill for investing. Outstanding judgment with the ability to constructively challenge the thinking and reasoning of others. Detail-orientated with exceptional numerate ability and clarity of thought. Self-starter who can thrive in an unstructured environment. Clear alignment with our Core Values and investment philosophy. Contrarian outlook that is grounded in humility and a balanced temperament.

---

**QUALIFICATIONS:**

Relevant Master's or higher level degree with an outstanding academic record from a top tier university or business school. Excellent knowledge of and passion for global financial markets. At least five years' experience in bottom-up, fundamental global equity research. Proven track record of demonstrably superior investment performance in stock selection for a Global portfolio with at least \$1 billion in assets under management.
