Top Grade Mason

Our client, A&M Construction Ltd., is currently seeking to fill the role of Top Grade Mason. The successful candidate will be highly proficient in all aspects of masonry and possess at least 5 years of continuous experience in residential construction.

Responsibilities will include calculating angles and courses, and determining the vertical and horizontal alignment of courses of all sizes of block, building and positioning forms for pouring concrete, building and erecting stone columns/face slate/buttresses and butterfly roofs, laying brick for driveways/chimneys, and all other masonry procedures. The individual must also have a basic understanding of blueprints and drawings to determine specifications and to calculate the materials required and must possess the ability to set steel and rebar.

Minimum Required Qualifications, Skills and Experience:

- Minimum of 5 years of continuous experience in full masonry tasks
- Track record of excellent masonry work
- Valid driver's license and own transportation
- Excellent time management and reliability
- Willingness and ability to work overtime when required
- Must be a self-starter and dependable

Applicants will be required to provide at least two (2) written professional references to demonstrate the above requirements. Due to the serious nature of the position, all employees at A&M Construction are subject to random drug and alcohol testing to ensure a safe and productive work environment.

Interested? Please email jobs@expertise.bm.

All enquiries will be dealt with in strict confidence.

Closing date: January 8, 2016
