

PROGRESS. PASSION. POSSIBILITIES.

KPMG professionals are individuals who take deep, personal accountability for their work; have a passion for excellence; remain driven to achieve their full potential; and understand the value of building relationships with clients, future clients, their communities, the global firm and each other. A KPMG professional has a strong work ethic, thrives on challenges, and is dedicated to providing outstanding client services.

KPMG in Bermuda serves an international client base. The Advisory team can help businesses address the most complex challenges by drawing on resources and skills across its global network. We are looking for an Advisory Manager to support us in maintaining our reputation as a leader in Advisory services both in Bermuda and globally.

Advisory Manager

KPMG Advisory is looking for an Advisory Manager with significant experience and a proven track record in Risk Consulting, including, but not limited to, experience in managing a diverse portfolio of engagements and working with multidisciplinary teams to deliver the following services to insurance industry clients:

- Enterprise risk management assessments;
- Initial public offering readiness reviews;
- Governance, regulatory and compliance analysis;
- Business process design, implementation and operating reviews;
- Production of policy and procedure documentation; and
- Management of internal audit testing.

Candidates must have the following qualifications, skills and attributes:

- A minimum of four years of experience with a strong background in public practice, or within the risk management, internal audit or compliance functions of an insurance company, or as a consultant;
- An in-depth knowledge of the insurance industry and related regulatory environment;
- An accounting qualification (CA/CPA) is preferred;
- Experience with Sarbanes Oxley or financial reporting processes and controls within a larger private company;
- Knowledge of and experience with SOC reporting (ISAE3401/SSAE 16);
- Demonstrable critical thinking skills, with the ability to review and provide comment on complex risk and financial information;
- First class written and oral communication skills as well as excellent presentation skills;
- Exceptional people skills with the ability to work well with staff of all levels and across multiple disciplines, including the ability to coach and develop team members;
- Excellent business development and client relationship skills;
- Must be a self-motivated individual who is well organised, hardworking, enthusiastic and professional;
- Candidates must demonstrate they are capable of working with demanding situations that require the ability to multi-task on a daily basis;
- A willingness and capacity to work overtime and travel on short notice is essential as this is a highly demanding environment with tight reporting deadlines; and
- The ability to work independently with minimum supervision and a proven ability to work with and manage a diverse team is essential.
