

Qualified Accountant, Vice President – Insurance Management

The Horseshoe Group is the foremost independent insurance manager dedicated to the Reinsurance and Insurance-Linked Securities market and offers a broad array of management and advisory services.

Our Bermuda office has an opening for a highly motivated qualified accountant to join our dynamic organization, with particular emphasis on serving our significant portfolio of catastrophe bond clients.

Required qualifications and skills:

- Minimum of 7 years post qualification and insurance/reinsurance accounting experience.
- Internationally recognized accounting designation (CA, CPA, CMA, ACA, ACCA)
- In-depth knowledge and understanding of general ledger and accounting standards (US GAAP, Canada GAAP, Bermuda Stat, UK GAAP/IFRS/IAS)
- Extensive knowledge of Insurance-Linked Securities, including cat bonds, sidecars and transformers, is required
- Minimum 3 years of experience in the establishment and day to day operations of catastrophe bond vehicles
- Strong knowledge of Bermuda Insurance Regulations
- Proficient skills in Microsoft Excel and Word
- Experience with computerized accounting software. SUN G/L experience preferred
- Experience with administration of Intralink and SmartRoom data sites
- Experience in a client service environment
- Enthusiastic and strongly motivated self-starter
- Excellent verbal and written communication skills
- Attention to details and ability to produce error-free work
- Strong organizational skills and ability to meet deadlines
- Able to work overtime and on weekends when required

Responsibilities include but are not limited to:

- Primary contact for a portfolio of clients including catastrophe bond vehicles
- Ensuring catastrophe bond clients comply with all contractual obligations, including interest payments and provision of required information
- Coordination of catastrophe bond issuance process
- Administration of data room platforms such as Intralinks and SmartRoom
- General ledger processing, including journal entry posting
- Accounting for (re)insurance contracts and investments
- Preparation of timely and accurate financials as well as supporting schedules and analysis
- Monitoring compliance with clients' obligations and controls as well as laws and regulations
- Coordination and management of audit process
- Interaction with clients' service providers
- Assisting with proposal and marketing activities
- Other responsibilities as needed to ensure quality client service

This is an excellent career opportunity with a fast-paced growing company.

Applications will be dealt with in strict confidence and interested candidates can apply before February 5th, 2016 in writing or via email to:
