### **BROKER – VICE PRESIDENT PROFESSIONAL RISK SOLUTIONS**

Aon (Bermuda) Ltd. provides clients with specialist insurance broking, reinsurance expertise and consultancy services. We are seeking to employ a specialist network security & privacy / cyber Broker at the Vice President level in the Professional Lines Group of our Insurance Brokerage Division to run, manage and provide thought leadership for the Aon (Bermuda) Ltd. offering.

This position focuses upon the design, placement and service of the Bermuda marketplace's network security & privacy / cyber, technology E&O and media E&O offering encompassing the dynamic perils and threats evolving daily within the cyber landscape.

The successful candidate will have a minimum of five years of recent insurance broking experience involving Bermuda and international markets with specific experience in the network security & privacy / cyber area during the past two years. Experience should include the marketing and servicing of global insurance and risk management programmes for large professional firms as well as Fortune 1000 accounts with strong knowledge and understanding of the various management liability and, specifically, network privacy / cyber policy forms from U.S and international markets. Strong administrative, analytical and presentation skills are required which encompasses the ability to organize, administer and manage complex integrated policy quotation, binding and issuance systems involving a large number of annual transactions for Aon clients as well as high levels of skill in training others in these systems; the ability to plan for, organize, and facilitate large meetings as well as a track record of innovation and development of new products and services. The ability for considerable interaction with senior underwriters and internal and external executives together with a market presentation / public speaking profile is essential. Proficiency in Word, Excel and PowerPoint programs is required. A Bachelor's degree is compulsory in addition to evidence of ongoing professional cyber development. There will be significant travel required, as well as frequent entertainment of clients outside of normal business hours.

The Company offers an attractive compensation and benefits package commensurate with qualifications and experience.

First preference will be given to Bermudians, spouses of Bermudians or PRC holders.
