

Live-In Caregiver/Housekeeper

On behalf of our client, Mr Garry Madeiros, we are seeking to fill the position of Live-in Caregiver/Housekeeper.

We require an experienced live-in Caregiver/Housekeeper to

provide personalized holistic twenty-four care for an elderly lady with middle stage dementia. If you have experience in providing care in this role and can work flexible hours then we are interested in meeting with you.

Your objective is to deliver safe, stimulating day to day care in the client's home. Duties will include but are not limited to:

- Preparation of meals, organizing grocery shopping and errands
- Providing assistance with personal care
- Attending to laundry and light housework
- Organising and assisting with transport to activities and appointments
- Daily reporting on client's progress and needs
- Providing companionship to client

Over time this client will require more attention so the successful applicant should have experience with bathing, attending to personal hygiene, night watch, administering first aid and dispensing of medications. All applicants must be non-smokers, speak English and have their own personal transportation.

You must possess:

- Qualifications in Nursing or Nurse Assistant qualification or equivalent
- Minimum of two years' recent experience in similar roles
- A minimum of two written references
- Up to date CPR certification
- A clear police report
- Recent training and experience with Dementia and/or Alzheimer's Syndrome sufferers is essential

Please forward CV's to coordinator@atlanticcaregiving.com along with up to date CPR certificates and references.
